FOURTH SUNDAY OF EASTER

The Good Shepherd has risen, who laid down his life for his sheep and willingly died for his flock, alleluia.

Not only can we recognize family members' voices, we can also read the tone of their voices and know something about how they are feeling. In our relationship with Jesus, we know Jesus' voice and are called to follow. Jesus doesn't just bring us closer to the Father, Jesus puts us directly into contact with God the Father, removing all distance between us. In the Gospel of John, Jesus identifies so closely with the Father that he tells us that they are one—not just close, but actually one. Knowing Jesus means knowing the Father.
